How can you help your child to effectively comprehend the Primary One curriculum and enhance your child's proficiency in the Chinese language? How do you create an environment that is conducive for your child's learning as well as cultivate your child's interest in the Chinese language? Berries P1 Preparation Seminar will address these concerns and provide an overview of the latest trends of the Ministry of Education. With greater understanding of the learning requirements and challenges, you can confidently help your child be adequately prepared for the key milestone in his/her educational journey.
